

The image features a light gray background with a central abstract graphic. This graphic consists of a blue structure that resembles a corner or a stylized letter 'L'. The top horizontal bar is a medium blue, while the vertical bar is a darker blue. The space to the left of the vertical bar is white. The text 'Think + Shift' is centered horizontally across the white and dark blue areas in a white, sans-serif font.

Think + Shift

2019 FURNITURE RANGE

Think + Shift is an innovative multidisciplinary design studio founded by its Creative Director James McNab in 2014.

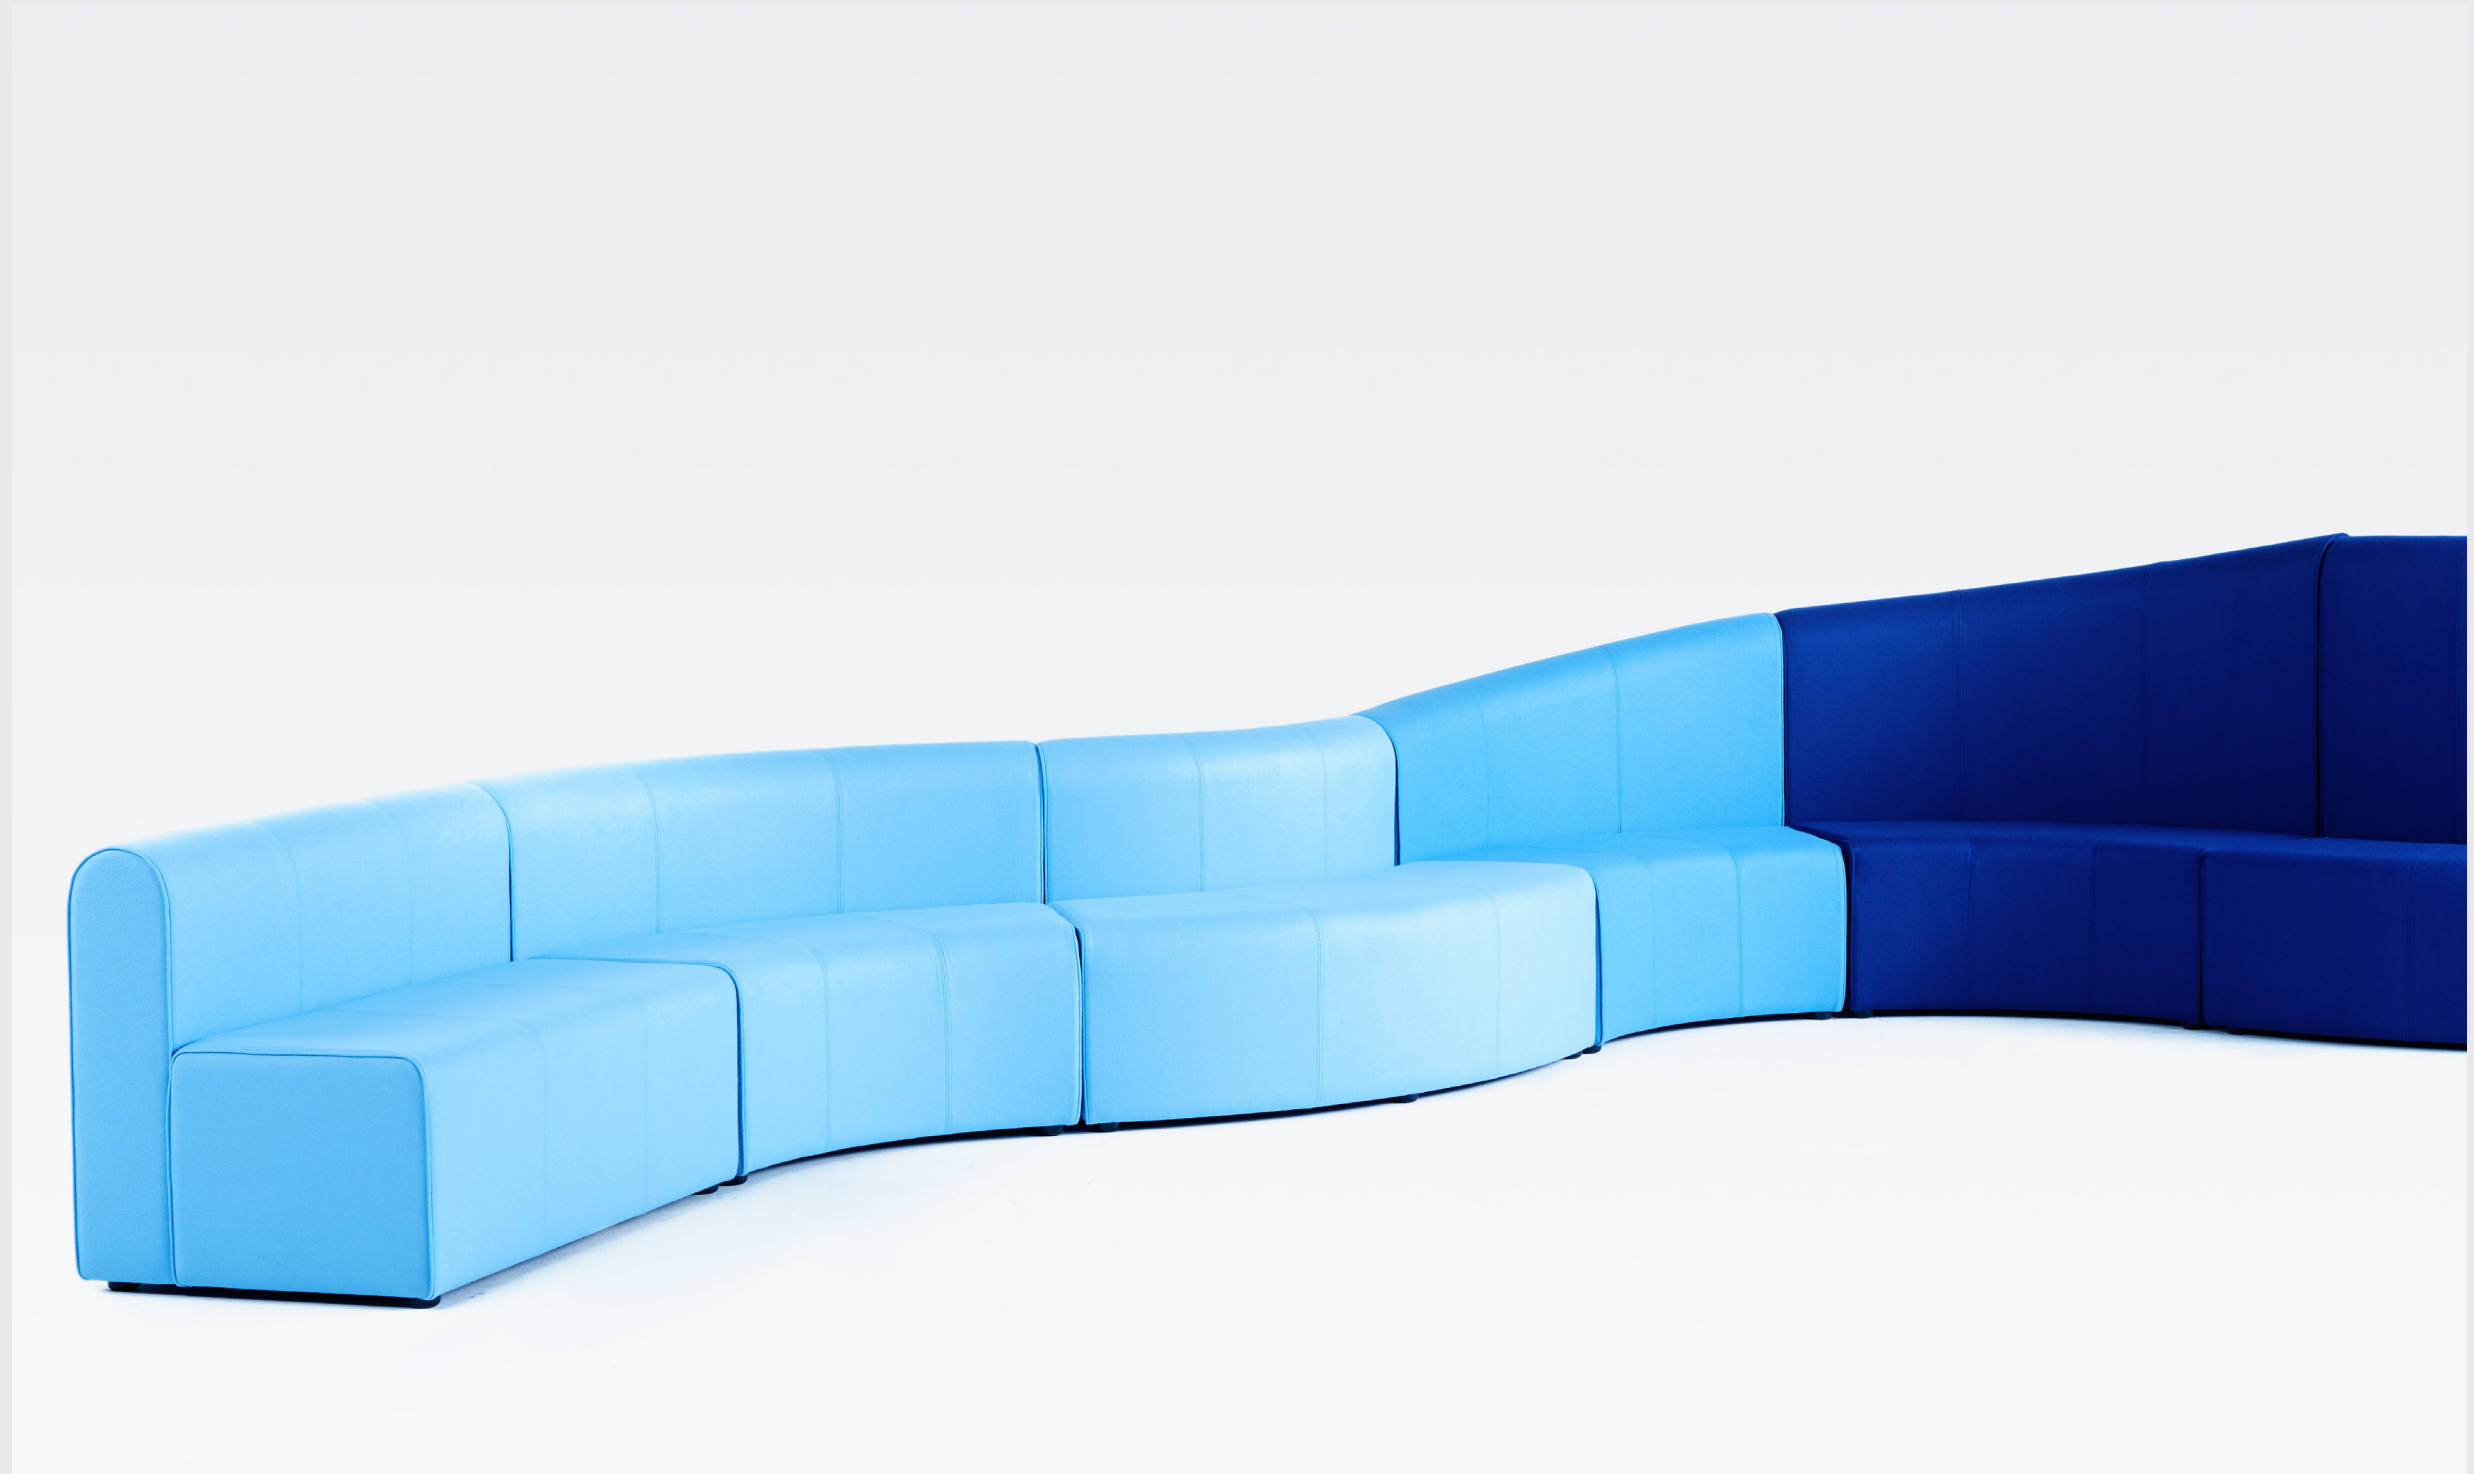

Working across product, furniture and spatial design, Think + Shift has found success in bringing a variety of projects to life, from textural interior fitouts through to mass produced commercial furniture.

Think + Shift's creative output is sophisticated yet simple, traits which are mirrored in its own range of New Zealand-made furniture, with a focus on form, natural materials and contemporary New Zealand design.
